

TIRE SHINE & SHIELD

TECHNICAL DATA SHEET

TIRE DRESSING

REFERENCE: #27003

Sizes:

16 oz

1 Gallon

DESCRIPTION:

SHINE & SHIELD TIRE is the ultimate high-performance premium silicone dressing that will make your tires stand out on the street. You can also dilute with water to make a multi-purpose dressing for use on interiors too or for a lower matte finish on your tires. Also use on vinyl, plastic, rubber and the engine area. SHINE & SHIELD has outrageous gloss with exceptional durability. Impervious to car washes and everyday road grime, it is also non-toxic and non-flammable!

DIRECTIONS OF USE:

Shake Well, ready to use for a high gloss, Dilute 2:1 or 3:1 for lower gloss or a matte shine. Spray onto a towel or foam applicator for a tire application, ensure a clean dry surface. Wipe off excess with clean, soft towel. Use regularly for maximum protection. Do not use on foot pedals, floor mats, steering wheels, etc.

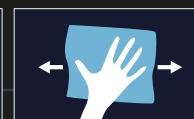

1. Thoroughly clean and dry tire

3. Shake before use.

4. Pour onto a clean towel or sponge applicator.

5. Wipe off excess with clean, soft towel.

6. When desired apply a second layer of dressing.
